BIOGRAPHY

Tisha Mitchell, Vice President of Program Management
Ducommun Incorporated

Tisha Mitchell is vice president of program management for Ducommun Incorporated. In that role and as a member of Ducommun’s Office of Operational Excellence, she is responsible for developing and executing the company’s program management enterprise to enhance customer satisfaction and support effective new product introduction.

Mitchell has more than 25 years of experience in marketing and business development, spanning business-to-business and consumer industries. Prior to joining Ducommun in 2008, she was director of marketing and strategic development for Softub, Inc., where she also served as chief operating officer for the Sunstar Covers division earlier in her career. Mitchell previously served as director of sales and marketing for the Parsons Sun and president of Screamingly Different Entertainment. She also held sales and marketing positions with The Bama Companies, Inc., Advantage Media Group, Inc. and Wheatley-TXT.

Mitchell received an MBA from The University of Tulsa and earned a bachelor’s degree from Washburn University.

Founded in 1849, Ducommun Incorporated provides engineering and manufacturing services to the aerospace, defense, and other industries through a wide spectrum of electronic and structural applications. The company is an established supplier of critical components and assemblies for commercial aircraft and military and space vehicles as well as for the energy market, medical field, and industrial automation. It operates through two primary business units – Ducommun AeroStructures (DAS) and Ducommun LaBarge Technologies (DLT). Additional information can be found at www.ducommun.com.
